

Where Does Your No-Calorie Sweetener Come From?

100%
NATURAL

Your no-calorie sweetener should come from a leafy plant, not an industrial plant. So switch to SweetLeaf Stevia, the 100% natural, calorie-free sweetener. Made from natural Stevia plant leaves, SweetLeaf provides you with the sweet taste you crave, without the calories of sugar, or the toxic chemicals of artificial sweeteners. **Look for the green box in your grocery store. Or order at Sweetleaf.com.**
